Education

- **IIMT College of Engineering** — Meerut, Uttar Pradesh
  Bachelor of Technology in Computer Science And Engineering; CGPA: 7.56 — *Aug. 2022 – Aug. 2026*

Experience

- **Orinson Technologies Private Limited** — Remote, India
  Frontend Web Developer — *Dec 2024 - Jan 2025*
  - **Shoppify E-Commerce Website**: A fully functional e-commerce platform built using **React.js**, designed to provide a seamless shopping experience with an intuitive user interface and responsive design.
  - **RecipeBox Application**: A dynamic recipe discovery platform developed using **React.js**, featuring seamless **integration with TheMealDB API** to provide users with a vast collection of recipes based on their preferences and search queries.
  - **Portfolio Website**: A professional portfolio website crafted with **Next.js**, featuring an **AI-powered chatbot integration** to enhance user engagement and provide instant responses, showcasing my skills, projects, and accomplishments interactively.

- **Prodigy InfoTech** — Remote, India
  Web Developer Intern — *Jan 2025 - Jan 2025*
  - **Weather App And TravelHub**: Building the Weather App enhanced my ability to **integrate APIs seamlessly, handle dynamic data,** and create responsive designs. Developing the TravelHub Website further **honed my UI/UX design skills**, focusing on creating intuitive, user-friendly interfaces with responsive layouts for an optimal user experience across devices.
  - **Stopwatch Web Application And Tic-Tac-Toe** : Creating the Stopwatch Web Application **refined my skills in event handling and JavaScript timing functions**, while designing the Tic-Tac-Toe game enhanced my problem-solving abilities and deepened **my expertise in DOM manipulation**, enabling me to develop efficient, interactive, and responsive web components.

Projects

- **ResumeSpark(Resume Generator Application)**:
  GitHub :https://github.com/riyatyag/ResumeSpark : Developed ResumeSpark, a resume-building web application using **HTML, CSS, JavaScript, and Tailwind CSS**, focusing on responsive design and user-friendly interfaces.
